Unread Starred People	☐ lianna, me Jun 1 Coolers/Crafty Ok thanks! Scott A. Brown Asst. 4	Hope all went well on your end this weekend. It was an impressive event to say the least. We shot some great footage but in the process, one of the rental video recorders was damaged it happened at some point when we handed off the recorder to a runner who delivered it to the the media transfer station. I'm light on details as to exactly what happened during that time, but I do know it that the drive is now cracked in two places. I've attached photos of the drive. Just wanted to see what the protocol is for something like this. Our producer was Dustin Sussman, and he suggested you might be a good point of contact. If there is a better person,
